**PLAINTIFF'S PROPOSED VOIR DIRE QUESTIONS**

This action has been brought by the Plaintiff pursuant to the Federal Employers' Liability Act 45 U.S.C. §51 et seq., The Plaintiff seeks compensatory damages for personal injuries he claims to have sustained on June 13, 2001 while employed by the Defendant as a trackman/inspector at or near mile post 74, Warren, Massachusetts. The parties agree that the Plaintiff was employed by the Defendant. The parties further agree that the Defendant, CSX Transportation, Inc. (hereinafter "CSX"), is a railroad within the meaning of that law and at the time and place alleged the Plaintiff was engaged in the performance of his assigned duties and together the parties were involved in interstate commerce.

CSX has answered the Plaintiff's complaint denying legal liability for the Plaintiff's alleged injuries and further answered by saying the Plaintiff's injuries were caused by the Plaintiff himself.
